FROM THE NORTH:

Head south on MoPac Expressway. Take the exit for Barton Skyway. Turn left at the light for Barton Skyway, cross over MoPac, and make another left onto the frontage road. You will pass “Three Barton Skyway” on your right. Turn right onto Spyglass Drive and follow it around until you see the first entrance driveway on your right. Continue up the drive and around the circle until you reach the parking garage.

PARKING: Park in the garage. Look for any spots marked “visitor” or with no placard at all. This is very important as cars parked in reserved spaces run the risk of being towed. The top floor of the parking garage contains a great amount of visitor parking.
